

# Summer 2025

## Children's House Program (ages 3-5)

### ***Summertime Learning & Fun***

Our summer program is designed to be a fun, relaxed, and interesting environment where the children have a hands-on learning experience. The mornings are devoted to various and exciting themes of study and exploration. The afternoons include additional time to enjoy the outdoors.

The Children's House summer camp provides an experience that offers an opportunity for cooperation, independence and discovery for each child. Caring, committed and experienced staff guide the children in a safe, supportive, and structured environment.

We welcome children from ages 3-5 for our Children's House Summer Program. Although most of the children will be students in our school during the school year, it is not necessary to be enrolled in the school to attend the summer program.

Malta Montessori School is located in Malta Commons  
on Route 67 at exit 12 off of the Northway
